BBNA Headstart
P.O. Box 310
Dillingham, AK 99576

Dear BBNA Headstart:

I am writing this letter to let you know that I am interested in participating in and representing Togiak at the Juneau Headstart conference. This is the second year that my son is involved in the headstart program and the first year that I am a policy council representative for Togiak. I also have a daughter I would like to enroll when she is old enough.

I would like to attend the conference in Juneau because I would like to learn more about what is involved with headstart so that I can better serve my headstart here in Togiak and the centers around Bristol Bay. I would also like to see what other parents who are involved think of the program. I want to get more ideas on how to get more parents involved with the program, since we have a hard time getting parents involved in Togiak.

With what I get out of the conference I will use it to better our centers around Bristol Bay and here in Togiak. I hope to get ideas on how to get parent involvement and use that to get more in kind hours for our headstart program. With what I learn I can report to the parents during meetings or even through the headstart newsletter and work together with the parents in having more parent involvement.

Thank you for your time, please consider choosing me to represent Togiak at the Juneau Headstart conference.

Sincerely,

Alicia Active
