

Dillingham Afternoon Class

BBNA Head Start

January 19-22, 2010

Kyle showed the students how to greet a puppy using a calm, quiet voice and an open hand.

Harold brought a dogsled and mushing equipment to our classroom.

Our classroom hosted two special guests this week to teach us about dog mushing. Harold Andrew and Kyle Belleque are local mushers who enjoy sharing their knowledge about dog care and mushing. We learned about the equipment used for mushing, how to dress for the cold, how to greet a dog and some of the ways dogs learn to pull a sled and follow commands.

Our new vocabulary words: Alaskan Husky, dog sled, harness, step break, snow hook, goggles, musher, veterinarian, booties, head lamp

Our new song (tune of BINGO)

There was a musher who had a dog and Balto was his name-o
 B-A-L-T-O, B-A-L-T-O, B-A-L-T-O, and Balto was his name-o
